The Family Business Club

The Family Business Club aims to work cohesively with the new family business program sponsored by Professor Todd Watkins. During bi-weekly meetings they plan to educate students about family business, increase leadership skills, teach the importance of succession planning, and how to resolve family business conflict. They currently have 20 members, 6 of which are sophomores. They also plan on bringing in guest speakers during their meetings who can tell members about their experience with family business, and they plan to host workshops twice a semester on succession and family constitutions. They are seeking Student Senate recognition to reach more students and increase club awareness.

It is the recommendation of the Club Affairs Committee that Student Senate XXIX accept the Family Business Club for preliminary recognition.
