Facilities & Transportation: Hilary Lewis

Jake Kennon reported that the Thanksgiving bus went well. They are still talking to Mark Ironside about the Wegman's bus.

Academic Affairs & Advocacy: Bo Johns

They split up into two subcommittees. They reviewed the powerpoint on the survey put out by Academic Affairs last year. They are formulating goals for second semester, such as getting swipe card access for late night studying, working on mentoring and the orientation process.

Campus Unity: Fiona Lee

The FanVan went really well, they handed out prizes at the reveal. They are meeting with Candy from Zoellhner to work on it in the future. They are making a schedule for the bus with the Student Athlete Council. Mark Ironside is considering investing money in a permanent FanVan. A new design will happen next semester and the bus will be wrapped over the summer. Hopefully this will occur every year and become a new tradition. Next semester they are working on Minute to Win It and Adopt a Team (one athletic team, one greek house, one/two clubs). They are looking into giving the winning team dinner at the Asa Packer dining room, having a cheering competition, and awarding pinnies. They will also be working on the LehighLipDub (with Brian from Admissions) which may be done again during Candidates Day. They are also having a Spirit Week with events like Beat it for Chairty and DanceFest.

They are hoping to continue their work next semester and continue the connections and relationships they've made on campus.
