Annual Funding

SSR29AL072 - TABLED

After determining funding for Sponsored Organizations, the Allocations Committee believes that the Annual Allocation for Registered Organizations should be \$100.00. The Committee believes that this is appropriate allocation to allow clubs to program what they need to, while leaving enough for growth in programming and minimizing the amount of rollover.

Organization: Green Action

Amount: \$150

Green Action is requesting \$150 for transportation to Washington D.C. to participate in a demonstration against climate change. They have reached out to the Office of Sustainability and Department of Political Science for funding as well. The Allocations Committee recommends funding the full amount.

SSR29AL074-APPROVED

Organization: Eta Kappa Nu

Amount: \$225

Eta Kappa Nu is requesting \$450 for graduation cords and stoles. They currently have 11 cords for the 14

students graduating this year. This amount would pay for 11 stoles and 3 combinations of cords and stoles. These will be kept as inventory for future years and therefore not a handout. Seeing as many other organizations are required to pay for their own and Eta Kappa Nu only needs 3 more stoles, the Allocations Committee recommends funding half of the requested amount.

Organization: International Business Club

Amount: \$150

The International Business Club is requesting \$300 for food and booking a room for a networking event with Lehigh Alum. They are collaborating with the Global Union but have not received any funding from them or attempted to reach out to any other organizations for funding. Last year, IBC was given \$200 from Senate, and they have already gotten \$150 from Senate this year. Therefore, the Allocations Committee recommends funding half of the requested amount.

Organization: A Whole Step Up

Amount: \$0

A Whole Step Up is requesting \$600 for an event with Echoes that we have already funded. When Echoes made the initial request, they did not make it clear that any other organizations would be cosponsoring with them. Because the Allocations Committee already funded \$400 for this event, we recommend funding \$0.

Organization: Gaming Club

Amount: \$0

Gaming Club is requesting \$96 for food for their EPIC Gaming Competition. They currently have \$150 in their senate funds, so this request is unallowable. The Allocations Committee recommends funding \$0.
