The Lehigh University Esports Association is requesting \$150.00 for their Hawk Summit. The event is their final esports tournament of the semester and they are expecting over 70 people to attend. The event will draw club members as well as gaming enthusiasts from both inside and outside the Lehigh community. They are planning on serving pizza, mozzarella sticks, and hotdogs to those who attend. This is the first large event the club is hosting and because they have demonstrated responsible leadership and the event is attracting such a large number of people the allocations committee recommends we fund the entirety of the request.
