SSR28AL028-APPROVED

Amount: \$1,000.00

Best Buddies requested \$1,000.00 to cover the cost of the Buddy Ball: an event that will be held at Lehigh once every ten years. This is a celebration of the progress that was made with the buddies during the semester, and students and buddies from ten schools in the area will also attend. The total cost of the event is \$8,500.00, and they will receive \$6,400.00 in ticket sales and fundraising efforts. There will be about 400 attendees. The executive board sought help from David Joseph and other sponsors to help fund the event and other events they held throughout the semester. The event is open to the Lehigh community. The Allocations Committee decided to allocate Best Buddies the full requested amount as the event will better the Lehigh Community.
