Annual Allocation

SSR28AL039-APPROVED

After determining funding for Sponsored Organizations, the Allocations Committee believes that the Annual Allocation for Registered and Affiliated Organizations should be \$150.00. The Committee believes that this is appropriate allocation in order to allow clubs to program what they need to, while leaving enough for growth in programming and minimizing the amount of rollover.

Additional Funding

SSR28AL040-APPROVED

Organization: Black Student Union

Amount: \$300.00

Black Student Union has requested \$915.80 for “As I Am.” This event is centered on celebrating natural hair and beauty. BSU has reached out a handful of departments for funding, but have not heard back yet. \$626.00 of the requested amount is approvable per our guidelines and the Allocations Committee recommends to approve \$300.00 in additional funds
