Additional Funding

Organization: African Caribbean Culture Club

SSR28AL029

Amount: \$0.00

The African Caribbean Culture club requested \$300.00 to spend on flowers that they plan to give away at the event they are hosting called Love Jones. They had a similar request last year and were denied funding because we cannot fund giveaways and the same rationale was used this year to deny their request.

Additional Funding

Organization: LU American Medical Student Association

SSR28AL030

Amount: \$1,220.00

The LU American Medical Student Association requested \$2,198.00 to attend a national conference. The allocations committee elected to fund \$1,220.00 in order to cover the hotel and registration costs. The club is seeking other sources of funding and there is enough in their club budget to cover the rest of the conference costs and to continue with all their planned events for the year.

Additional Funding

Organization: Society of Physics Students

SSR28AL031

Amount: \$100.00

The Society of Physics Students submitted an additional funding request for \$157.00 in order to cover the expenses for their Winter BBQ. Costs include food, beverage, and utensils. \$100.00 of their request was allowable for funding and after reviewing their budget the Allocations Committee decided to fund \$100.00 to help cover the cost of the event.
