Mock Trial Club

The Mock Trial Club seeks to provide Lehigh Students interested in law, trial, and public speaking practice as well as a chance to compete in regionally and nationally in The American Mock Trial Association (AMTA). This club plans to hold bi-weekly meetings that have a workshop based focus as well as practice time for competition. This group has already planned a Keep the Goose Open Late fundraiser to raise money to join the American Mock Trial Association. Currently the club has 25 members consisting of mostly first-years and sophomores. This club seeks Student Senate recognition to gain a “respected organization’s sponsorship”, gain access to funding, and be able to present at the Club Fair.

It is the recommendation of the Club Affairs committee that Student Senate XXVIII accept the preliminary recognition for the Mock Trial Club.

Status: Approved

SSR28CA002

The Happy and Healthy Living Club

The purpose of this club is to create a community for the whole student body to engage in healthy and positive activities that promote happiness and health. The club's meetings will be held weekly and primarily consist of activities. Some examples of past events/meetings are a group run, meditation, and posting random acts of kindness post-its around STEPS. This club has also hosted a 5X10 this year as well as an event on the front lawn. The club currently has 37 official members and over 200 members on the Facebook page. The Happy and Healthy Living Club seeks recognition from Student Senate in order to make a large impact on campus by stressing the idea that happiness is an internal process and this club will serve as a support system and outlet to make new friendships.

It is the recommendation of the Club Affairs committee that Student Senate XXVIII accept the preliminary recognition for the Happy and Healthy Living Club

Status: Approved

SSR28CA003

Tinker Club

This Club seeks to grow a programming community at Lehigh and organize collaborative projects to do so. This Club differs from the Programming Club because it wants to teach new programmers the basics. The club plans to meet weekly and work on projects. Currently, they are interested in exploring the idea of re-formatting websites. This club also plans to attend other events on campus rather than host their own. The member list currently has 40 people that are mostly comprised of first-years.

It is the recommendation of the Club Affairs committee that Student Senate XXVIII deny the preliminary recognition for the Tinker Club.

Status: Denied

SSR28CA004

Lehigh University Disc Golf

This Club seeks to provide a fun and recreational activity for students interested in Disc Golf. This club holds clinics and has already engaged in several weekly inter club competitions. The club's meetings consist primarily of going to the courses to play. The member list currently has 66 members and the club has seen great turn out at their outings. The club also emphasized that their teach advisor has been a disc-golf enthusiast for 10 years. This club seeks Student Senate recognition for the purpose of funding and expanding the Club.

It is the recommendation of the Club Affairs committee that Student Senate XXVIII accept the preliminary recognition for The Lehigh University Disc Golf Club.

Status: Approved

SSR28CA005

The Bowling Club

This club seeks to promote the sport of bowling while creating an environment for the betterment of the members involved. This Club plans to hold its introductory meeting in the upcoming week. The club meetings would consist of bowling once a week at the local bowling alley. This club has already reserved ten lanes at AMF parkway lanes. The Club currently has 125 members on its member list and plans to collect dues to cover the cost of renting out lanes. The Bowling Club is seeking Student Senate recognition for the ability to gain more members and gain funding.

It is the recommendation of the Club Affairs committee that Student Senate XXVIII accept the preliminary recognition for the Bowling Club.

Status: Approved

SSR28CA006

LU Planned Parenthood Generation Action

This club seeks to promote the values and initiatives of the organization Planned Parenthood while simultaneously planning events on campus that raise awareness about reproductive rights. This club plans to hold weekly meetings and discuss relevant topics half of the meetings and the other half will be dedicated to planning events. This group has already participated in the ‘ Steelworkers and Friends Parade and have spoken with local legislators about some of the major issues. This club has large support from the Women’s Center. The LU Planned Parenthood Generation Action Club to make a significant impact on campus and gain more recognition to attract more members.

It is the recommendation of the Club Affairs committee that Student Senate XXVIII accept the preliminary recognition for the LU Planned Parenthood Generation Action Club.

Status: Approved

SSR28CA007

Lehigh Undergraduate Mathematics and Statistics Society

This club seeks to engage students of the Lehigh Community through research and quantitative learning. This club already works with Lehigh's Math Department as an academic society. This club would plan to host and participate in larger events rather than host weekly meetings. This club plans to utilize the math lounge in Christmas Saucon and making it a more math-focused space for study and relaxation. This club also has 6 faculty advisors and 62 current active members. This club seeks Student Senate Recognition in order cover traveling costs to present research, fund refreshments for certain larger events, and better engage the students at Lehigh to promote learning.

It is the recommendation of the Club Affairs committee that Student Senate XXVIII accept the preliminary recognition for the LU Planned Parenthood Generation Action Club.
