

Minutes Meeting #5

Date: September 25th, 2012

ROLL CALL & MINUTES

GUEST SPEAKERS

Dr. Bruce Taggart

- all student residence halls have extended wireless access (including Greek houses)
- H drive and I drive has been significantly increased in memory
- Student Grant Project (\$10,000) to fill gaps on campus
 - This year is has been decided for more collaboration spaces for students
 - Room 180 Collaboration Pit
 - Linderman Library collaborative areas on third floor
 - More high-end software for engineers
 - Green side
 - faculty teaching with ipads
 - moving away from a text based campus
 - 90% of students stayed within paper cut
 - last year's paper cut results were a great success
 - even among the high printing majors, it was still in printing quota
- Seriously considering gmail for studnets
 - 33% of students already use it
 - current server cannot keep up with google
 - would be able to keep same prefix for email
 - need to touch base with all stakeholders who need to get involved with people
- Any students interested in joining the Student Grant Project as student senate reps?
 - email Bruce Taggart if interested
- Q&A from Senators
 - Functionality of tv's in the Linderman study rooms
 - Printers in first-year residence halls
 - going green
 - Advertise the collaborative spaces in "the pit"
 - support of using google for email
 - Adhoc tech. advisory committee
 - Not feasible to "gift" your printing money to another student
 - twitter or facebook page for LTS
 -

Mark Ironside

- Mail at campus square presentation
- getting rid of old mailboxes from ulrich
- Campus Square
 - residential as well as a store front
- New mailroom has served many purposes through the years
- A lot of other schools taking interest in our new system
 - not many others have done it like us

- Now there is a condensed area for copying, scanning, faxing, UPS, FedEx, shipping, printing services through this area as well
- Easy promo? website?
- Not much vertical space, using storage containers now
- Much of previous Student Senate feedback incorporated
- Senate Q&A
 - a better flow of traffic for people coming in and out
 - campus is starting to take less junk mail
 - launching a new program called "Catalog Choice" and you can choose your junk mail access
 - Signing for packages
 - maybe a way to make it faster
 - helpful that is not a cash only mail office now
 - Longer hours is great
