Organization: Baja Sae  
Amount: \$1500

Baja Sae is requesting \$1500 for two competitions. This money would cover only a small portion of the \$9000 total travel cost. This organization has reached out to over 70 businesses to sponsor this trip and is working with Lehigh to get a more stable source of funding. The Allocations committee recommends funding the full \$1500 as they have maxed out how much outside funding they can receive and still have a substantial deficit for this great event.
