C.L.I.P. Committees:

Academic Affairs & Advocacy: Bo Johns

They split up into sub-committees; mentoring and orientation is one, the other is study spaces and study hours. Each sub committee is creating an outline of goals for the rest of the year, they are incorporating the survey from last year on study spaces and study hours. Allison Ragon was at the National Orientation Conference, they are going to follow up with her about that.

Campus Unity: Fiona Lee

The FanVan painting was suppose to happen tomorrow, but due to a rain prediction, they are

hoping to paint it Friday so its ready for the wrestling match and for LeLaf on Saturday. They will not be altering the winner's design at all; she passed the design around for senators to see. The bus is going to be hand painted in washable paint. If the rain continues, the bus may be further postponed. Handouts and fan gear will be given away at the reveal. Other things the committee is working on is working with Mike Ironside and OneLehigh on Adopt a Team, Minute to Win-It games, late-night activities (working with Candy from Zolner), Spirit Week, and LipDub2. Adopt a Team will integrate greeks, nongreeks, athletes, and nonathletes to work together. Fiona is looking for good music for the FanVan.

Community Relations: Jarrett Herold

Since last meeting, they have been brainstorming ideas: "Lighting Up" Off Campus (raise awareness, give out police information, ask off campus to keep porch lights on to improve safety), promoting Zoellner lectures to non-Lehigh students (contacting local high schools), Estefania has been meeting with CUNA about the stop-sign and block watches, and investigating putting a bus stop/bench similar to the creative one outside the Banana Factory. CR has broken up into sub-committees

Facilities & Transportation: Carlynn on behalf of Hilary Lewis

They are looking into how to do the Wegman's sign-up. Thanksgiving bus will be happening next week.
